SIGMA ALPHA MU

A Successful Roundup Weekend, plus other Social Events

THE INTERFRATERNITY Council had its Roundup Weekend the weekend of March 26th. Potential rushees (and of course many girls) descended on the Sammy house for a Carlos n' Charlies styled party that featured two bands, and then the following evening for another successful foam party. The reviews praised the parties highly, and the Rush Captains think they started well in the race to get incoming freshmen next year.

Raising Money for the Alzheimer's Association

YET ANOTHER year in a row, Sigma Theta raised thousands of dollars for Sigma Alpha Mu's national charity, the Alzheimer's Association. This year, we raised \$5,000 for the Alzheimer's Association through a fundraising raffle.

LEADING THE UNIVERSITY OF TEXAS

A TEXAS Sammy just stepped down from the position of Student Body president, but other Sammys have stepped in to continue leadership on campus. Alex

Greenberg (Rockway, NJ) was just inducted as a Business School Representative, and Justin Stein (Houston, TX) was just inducted to represent the university at-

large. Justin was also given an award as the best representative from the past year, when he served as a representative for the Liberal Arts College.

Finishing off the Social Calendar Strong

SINCE ROUNDUP Weekend, we have had other fun events, including an "Around the World" party on April 17th that featured different rooms upstairs representing different countries of the world. We also have an 80's retro party planned for the weekend after classes finish to celebrate the end of the school year.

Other Achievements for Sigma Thetas

ALTHOUGH THE National organization has not released the awards list, we can tell you that at least 5 Sigma Thetas won 2009 Sigma Alpha Mu Foundation Scholarships. We are also proud to report that the Sammy Intramural Softball team finished 3-1 in the Fraternity division 4 and will be advancing to the Fraternity playoffs.

Saying Farewell to a Strong Senior Class

IN ONLY a few weeks, we will be saying goodbye to a group of 27 seniors that gave this fraternity 8 people on Council and a group of rush captains that, almost two years ago, assembled the largest pledge class [29] that this fraternity had seen in years. They will be missed, but they should serve as an example for all the other classes behind them.
